

You are being asked to be a volunteer in a research study. The purpose of this study is to improve the usability of Transformer Explainer by analyzing the anonymous click events of people who use the website.

The click events are anonymously and passively collected as the site is used, thus there is no specific task for you to do, and you may use the site for any duration of time. We protect confidentiality by collecting only anonymous information (i.e., we do not collect IP information or any input text), which will be securely stored and accessible only by the study team.

The risks involved are no greater than those involved in daily activities. You will not benefit or be compensated for joining this study. We will comply with any applicable laws and regulations regarding confidentiality. To make sure that this research is being carried out in the proper way, the Georgia Institute of Technology IRB may review study records. The Office of Human Research Protections may also look at study records.

If you have any questions about the study, you may contact (PI) at telephone 404-385-7682. If you have any questions about your rights as a research subject, you may contact Georgia Institute of Technology Office of Research Integrity Assurance at IRB@gatech.edu. Thank you for participating in this study.

By continuing forward to use the site, you indicate your consent that the data will be collected and used for this research study.
